**Aberdeen Art Gallery, Learning Space**

These dementia and cognitive-friendly events bring people together to share their stories and feel part of a community. These relaxed sessions are led by Archives, Gallery & Museums staff and volunteers who enjoy a good chat while sharing artworks and objects from the collection. Our Aberdeen is dementia-friendly but not dementia-exclusive – anyone over the age of 16 is welcome to attend. You might like to bring along photographs, stories and music suggestions to share with the group.
